

**Bellevue Real Estate**

1319 Galvin Road South  
Bellevue, NE 68005

**MOVE IN REPORT**

RESIDENT
ADDRESS
DATE

*This check list is used to record the condition of a unit at the time of initial occupancy. To be effective and perhaps prevent a later dispute with the owner/manager as to original condition when the property is vacated both the prospective tenant and the owner/manager should agree as to the condition of the unit before you move in. It would be desirable for both the tenant and the owner/manager to keep a copy of this checklist.*
